Phone Script:

Hello, my name is X and I am a taxpayer in Ontario. I am calling today to ask you to immediately implement a moratorium on commercial evictions.

Too many landlords have indicated that they are unwilling to apply for the CECRA, and without rental support, many businesses in Ontario will not survive. Losing these small businesses would devastate local communities and will make the post-COVID-19 recovery that much more difficult.

You have an opportunity to protect our economy, and compel landlords to do the right thing. I urge you to save small businesses and implement a moratorium on commercial evictions.

Thank you.
