

Welcome - We are open!

To protect the health and safety of customers and staff we have taken the following steps:

-  Frequent cleaning and disinfection
-  Tables and seating have been arranged for physical distancing
-  Staff have been trained on measures to keep everyone safe, like frequent handwashing and wearing a mask
-  Staff are screened daily for symptoms and stay home if sick

Please also do your part to keep everyone safe when visiting us:

Practise physical distancing by keeping a distance of 6 feet (2 metres) from others.

If you are sick, stay home and visit us another time when you have finished self-isolating.

Wash your hands often with soap and water or use an alcohol-based sanitizer.

Wear a mask except when eating.

Provide us with your contact information so Public Health can contact you if contact tracing is needed.
