

## Broadview Station, Broadview & Erindale avenues Track renewal - **UPDATE**

**Scheduled full road closure:** September 25 to October 25, 2023\*

\*Content / timeline accurate at time of printing

### What we are doing and why

Preliminary work started at Broadview Station and the surrounding area on September 11. The project is scheduled to be completed in November 2023.

Starting on **Monday, September 25, Broadview Avenue between Danforth Avenue and Pretoria Avenue** will be closed to all traffic. Local traffic only on Broadview Avenue between Erindale Avenue and Pretoria Avenue.

### What to expect during construction north of Danforth Avenue

- Construction activities include excavation, rail/concrete removal; new concrete and rail installation.
- The majority of excavation and concrete removal will take place between 7 a.m. and 11 p.m. Other rail-related activities are required around-the-clock to ensure quality installation of new rail and concrete.
- Expected **overnight** activities include rail welding/grinding, and placing new rail and concrete.
- For residential garbage/recycling - please follow your normal routine. If required, the contractor will move bins to an appropriate location and return them. Please label your bins with an address.

### Pedestrian and motorist details

- Broadview Avenue between Danforth Avenue and Pretoria Avenue will be **closed** for up to **30 days**. No through traffic will be possible. Local traffic only between Erindale Avenue and Pretoria Avenue.
- Erindale Avenue between Broadview Avenue and Broadview Station's bus entrance will be **closed** for track renewal. Local traffic only between the bus entrance and Ellerbeck Street.
- The laneway that serves businesses along Danforth Avenue will remain accessible for deliveries or service.
- Access will be maintained to the Toronto Parking Authority parking lot via westbound Erindale Avenue.
- The laneway serving businesses on Broadview Avenue's west side will remain accessible from Cambridge Avenue.

*Thank you for your patience while we work to improve transit infrastructure in Toronto.*
