### **CRIME PREVENTION ALERT - BUSINESS OWNERS**

There has been a number of commercial break and enter incidents occurring during the overnight hours.

These break and enter incidents have occurred on Danforth Avenue, in the area west of Greenwood, and on Broadview Avenue.

The perpetrator (s) smashed the front glass door as a means of entry to the business.

**BUSINESS OWNERS ARE ADVISED NOT TO LEAVE ANY CASH IN THEIR BUSINESS OVERNIGHT.** LEAVING THE EMPTY CASH TRAY NEAR THE DOOR ON THE INSIDE OF THE BUSINESS WITH AN INTERIOR LIGHT ON. This is a strategy that discourages entry as the target for these entries has been cash from the till.

Business owners should check their video equipment to ensure it is operational.
